SKILLS

- Aircraft Systems (Basic)
- UAV Design & Simulation
- Flight Operations
- Technical Documentation & Report Writing
- Python (Basic, Engineering Applications)
- Critical Thinking

LANGUAGES

- Tamil (Fluent)
- English (B2)
- German (A1)

PERSONAL PROFILE

Motivated and adaptable graduate with a background in Aerospace Engineering, eager to contribute strong analytical, problem-solving, and teamwork skills across diverse roles. Quick to learn new concepts and technologies, with the ability to work effectively under pressure and deliver quality results. Known for being reliable, detail-oriented, and committed to continuous professional growth. Seeking opportunities where I can apply my knowledge, develop new skills, and add value to the organization.

WORK EXPERIENCE

- **INTERNSHIP – PROJECT TRAINEE | MAY 2021 – JUNE 2021**
Brahmastra Aerospace Systems | Chennai, India
 - Assisted in research, testing, and analysis of aerospace components and performance.
 - Contributed to design, simulation, and prototyping of aerospace technologies.
 - Prepared technical documentation and reports in line with industry standards.
 - Collaborated with engineers and project teams to support aerospace development.
- **MEDIA COORDINATOR | 2022 – 2024**
Mercy Ark Church of India | Trichy, India
 - Coordinated cross-functional teams and managed project workflows.
 - Improved teamwork, leadership, and communication skills through stakeholder engagement.
 - Gained experience in planning, coordination, and execution transferable to aviation operations roles.

EDUCATION

- **B.TECH. AEROSPACE | 2018 – 2022**
Karunya University | Coimbatore, India
 - Developed knowledge in aircraft systems, flight operations, and aerospace materials; skilled in technical analysis, teamwork, and problem-solving.
